

I am writing regarding K-LOVE radio that serves me as a resident in my local community. If K-LOVE were to be displaced by an LPFM providing other programming it would be very devastating to me and my family. K-LOVE offers us and the community positive music to each one who would listen to the broadcast. It is family friendly and encouraging. It brings us peace and fulfillment in the content of the songs and broadcast. This station is a very important part of our daily lives and we need this station! Please do not hinder K-LOVE from the required format that they are using now. Thank you, sincerely, Laurel Beck and family
